I therefore request a FOIA so that I can see exactly why this is happening and how I can clear up anything that is either incorrect, or possibly a stolen identity, so that I may pass through the border just like any other innocent American citizen. 13	2023-FLETc-FO-00011	<p>Being harass and suppressed by the Winston-Salem Police Department in North Carolina ,these eventualities has lead to gross violation of my civil rights. On December 5,2019 the Winston-Salem Sheriff Department ,purposely violated or civil rights by unlawful detention .illegal searched and sexual harassment of by girl friend (b)(6) when her person was forcefully by two male Sheriff Deputies . We intended to filed a lawsuit against the Winston -Salem Police Department, that was when all hell break lose. I was subjected to constant harassment and unnecessary traffic citations. Recently, I discovered false charges on mailouts prosecution the the Winston-Salem police Depart. This malicious Prosecution was carried out by Officer (b)(6) (b)(6) brought criminal charges of crime that I did not committed that (GS code 1368) accusing me hurting a law enforcement Animal. It evidently clear that when officer (b)(6) came to my house there he has no dog with him. How can I be charged and prosecuted for crime that actually never occurred? Officer (b)(6) (b)(6) lied under oat to falsely bring a charge. I contacted the the Winston-Salem Police Department and submit a complain to his supervisor nothing was done to remedy these situation and the case was dismissed by the court. To problem here, Winston-Salem is a town of systematic racisms against people from from minority background. I am black man and been falsely accused by a white police officer for crime I did not committed ,When requested for the bodycam footage of this incident that I was accused of , the Winston-Salem police refused to submit the video. If Officer (b)(6) as a public servant lied under oath to bring charges .This now pose a very serious question on his testimonies in court of other crimes ,especially where black people are suspects. We society can afford a police officer without credibility that pose threats to freedom and liberty of the people he targeted. I would be grateful and appreciative if the office can request the bodycam footage of this incident stated below. Date of Incident : October 22,2019 Time : 4; 30- 5 PM. Location: 925 E 25 St, Winston-Salem, NC 27105 Officer Involved: (b)(6) The Winston-Salem Police Department are exploring all possibilities with frantic and relentless effort to sweep this case under the carpet and there is possibilities to pursue justice if the evidently cannot be release the Department that committed the crime. Further Officer (b)(6) in my court and Charge form, I was not with an "Affray" but the Winston-Salem Sheriff Departed purposely and intentionally added "Affray" charge on my arrest records charges and disseminated that information online to other websites ,such as Arrest.Org, Been bursted.com etc, etc . Their reason for so doing was to tarnished my characters and painted me as threats in society . They misinformed the general to deter the case our civil right violations. My only vindication over this false information is the video footage of the bodycam of Officer (b)(6) on October 22,2019.</p>	Individual	10/18/2022	10/19/2022

188	2023-FLETC-FO-00187	<p>I am a retired ICE Supervisory 1811, legacy INS Investigations Division, having retired April 30, 2003 from the Miami Field Office after serving 29 years with the USG in a LE capacity, 25 as an 1811. I spent about a year of those 29 at FLETC, both Glynco and Artesia, in various training capacities either as a basic or advanced trainee or as a detailed instructor, guest lecturer or detailed in for course development. As with many Federal LEOs, FLETC, especially FLETC, Glynco, holds a special place for me. Over the years I've managed to misplace the class photos for my two basic classes from FLETC, Glynco where I attended as a trainee and the one where I was a detailed instructor. I'd like to request copies of those class photos, assuming they still exist in FLETC archives. I'm not sure if this would be considered either a FOIA or PA request, since technically I'm "part of" the information/record being requested, but I'll start with this as a FOIA request. If you advise it should be a PA request I'll amend it as such. The three classes are as follows: Police Training Division Class #113, Federal Protective Service, September 21 - November 15, 1977. Police Training Division Class 157, INS IOBTC #28, June - September 1978. INS IOBTC #44 (I don't have the PTD #), I believe the dates were October 1983 - January 1984. I was a basic trainee in the first two and a detailed instructor for the third, IOBTC #44.</p>	Individual	8/9/2023	8/15/2023
