2024-FLETC-FO-00013	Dear FOIA Officer, Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the implementing FOIA regulations of the agency, I respectfully request the following: Documents sufficient to account for all lists, trackers, or summaries of: records or documents that have been requested three times or more under FOIA, or that have become or are likely to become the subject of subsequent request, in line with guidelines issued by the Attorney General on 15 March, 2022 (https://www.justice.gov/media/1212566/dl?inline). Documents necessary to determine if any frequently requested documents falling within the guidelines set forth by the Attorney General on March 15, 2022 (https://www.justice.gov/media/1212566/dl?inline) have already been made available either in the agency's FOIA reading room or in a public location. Documents sufficient to account for any agency policies or memorandums on tracking frequently requested documents that would reasonably fall under the cited guidelines (https://www.justice.gov/media/1212566/dl?inline). I am amicable to a rolling production as records are available. To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. The term "record" means any written, recorded, or graphic matter of any nature whatsoever, regardless of how recorded, and whether original or copy, including, but not limited to, the following: memoranda, reports, expense reports, books, manuals, instructions, financial reports, working papers, records, notes, letters, notices, confirmations, telegrams, receipts, appraisals, pamphlets, magazines, newspapers, prospectuses, inter-office and intra-office communications, electronic mail (emails), MMS or SMS text messages, instant messages, messaging systems (such as iMessage, Microsoft Teams, WhatsApp, Telegram, Signal, Google Chat, Twitter direct messages, Lync, Slack, and Facebook Messenger), contracts, cables, telexes, notations of any type of conversation, telephone call, voicemail, meeting or other communication. Please comply fully with 5 U.S.C. § 552(b). Accordingly, without limitation to the foregoing, if any portion of this request is denied for any reason, please provide written notice of the records or portions of records that are being withheld and cite each specific exemption of the Freedom of Information Act on which the agency relies. Moreover, to the extent that responsive records may be withheld in part produce all reasonably segregable portions of those records. Additionally, please provide all responsive documents even if they are redacted in full. This request is primarily and fundamentally for non-commercial purposes. As an investigative columnist and author, my request is in the public interest to inform the public. I would draw your attention to the memorandum, released March 15, 2022 that requires both agencies adhere to proactive disclosures for 'records that have been requested three times or more, or that have become or are likely to become the subject of subsequent requests' as well as to uphold 'timely disclosure of records' (https://www.justice.gov/media/1212566/dl?inline). The requested information is in the public interest because trust in government is at historic lows, and the American people deserve transparency about the operations of the Agency. Agencies, including yours, routinely hide FOIA logs, appeal logs, MDR logs, and critical documents detailing the agency's operations behind the constructs of retention periods even—when requested frequently by multiple parties, and in accordance with the previously cited implementation guidance, should be proactively disclosed.	10/22/2023	10/31/2023	The Daily Signal

To further narrow down the scope of the request, requester does not seek correspondence that merely forwards press clippings, such as news accounts or opinion pieces, newsletters, and published or docketed materials, if that correspondence has no comment or no substantive comment added by any party in the thread. The terms "pertaining to," "referring," "relating," or "concerning" with respect to any given subject means anything that constitutes, contains, embodies, reflects, identifies, states, refers to, deals with, or is in any manner whatsoever pertinent to that subject. I am in the process of requesting a waiver of the debt from FLETC and would like copies of all debt waiver applications and whether they were granted or denied for the last five years by FLETC. 2024-FLET-FO-00136	In today's world, we are faced with a lot of gun violence, whether it be youth & adults using guns for shootouts, carrying them unregistered and getting convicted, or law enforcement using them while arresting someone, sometimes even threatening them with guns. There needs to be a change in the system regarding guns, and enforcing tasers. Tasers, as opposed to firearms provide several benefits for law enforcement. These benefits stem from the ideas of reducing harm, encouraging de-escalation, and building community trust. I'll go into more detail about these causes below. 1. Less deadly Force: tasers are categorized as less deadly weapons since they are often used to render a person unconscious without causing fatal harm. Using tasers, law enforcement agents can restrain suspects while reducing the possibility of fatal outcomes, in contrast to guns, which have the ability to cause irreversible harm or death. This is especially crucial in circumstances where it might not be appropriate or necessary to use lethal force. 2. Decreased Risk to Officers and Suspect: tasers provide law enforcement officials with an efficient way to neutralize threats at a distance, eliminating the need for close quarters altercations that may quickly get out of control and put both officers and suspects at risk. Tasers can improve overall safety for all parties concerned by giving law enforcement officials a non-lethal option to guns that can assist prevent injuries to both law enforcement personnel and others involved in conflicts. 3. Enhanced De-escalation Strategies: tasers can be used as a de-escalation strategy to help diffuse potentially explosive situations without using deadly force. Tasers can be used as a deterrent just by being there; this can encourage suspect compliance and lessen the possibility of violent confrontations. Tasers also give law enforcement a way to temporarily incapacitate someone who could be experiencing a crisis or other unpleasant situation without endangering them permanently and allowing for a peaceful conclusion. 4. Developing Community Trust: law enforcement organizations can show their dedication to ensuring the safety of the communities they serve by emphasizing the use of alternatives to lethal force, including tasers. Police and the community can work together more effectively as a result, since people are more inclined to see policemen as defenders than as aggressors. Moreover, the prudent and conscientious use of tasers might help allay worries about police brutality and the use of excessive force by encouraging better accountability and openness within law enforcement. 5. Accountability and Oversight: tasers are frequently employed in conjunction with strict regulations and procedures that dictate their use, including instructions on when and how to use them. Creating precise guidelines for the use of force and encouraging compliance with established procedures, can help guarantee responsibility among law enforcement personnel. Furthermore, tasers' non-lethal properties also make it possible to examine use-of-force occurrences in greater detail, allowing for closer examination and monitoring of police behavior. Overall, using tasers as the main alternative to lethal force for law enforcement has many advantages. These advantages include increased officer safety, decreased danger to suspects, better de-escalation techniques, and heightened community trust. Law enforcement organizations can fulfill their obligation to protect and serve while building strong bonds with the communities they serve by placing a higher priority on the employment of non-lethal alternatives to guns. Additionally, the world, especially Chicago would be a much peaceful and better place if tasers were used as a weapon rather than guns.	5/18/2024	5/20/2024	Individual

On June 27, 2024, we emailed fletc-procurement@fletc.dhs.gov to inquire about the projected solicitation dates and other relevant details. On July 1, 2024, we received a response from fletc-procurement@fletc.dhs.gov stating, "I don't see where we have this requirement as an active requirement." On July 3, 2024, we sent another email seeking clarification and received a reply on the same day stating, "The announcement isn't active any longer, but I believe it still is. I would watch SAM.gov for any updated information on this." As you can see, the industry is receiving mixed and confusing responses from FLETC. Given that the current task order with Abacus Solutions Group, LLC is still set to expire at the end of September 2024, we seek your advice on the following: Do you expect an extension on the current task order? Is FLETC planning to re-compete this requirement? When will FLETC publish an RFP? When does FLETC expect to award? Thank you for your attention to this matter. 2024-FLETC-FO-00200	<p>I am a domestic violence overcomer, Everything I mention, I have documentation to support upon request. A mother of 4 my children in I are homeless. A little over a month ago I decided to flee the threat of being found to be unllived. I am disabled (physical) along with my son (autism). We have been placed in a motel by (Mortis County Social Services) A moment away from living in my car. Two children under 18 cannot understand why there is no home or cooked meats. Or why we are we have to be here. When we left I left everything. I grabbed documents. Two bags for the children, two outfits for myself. I have lost everything completely. Almost for the 2nd since my children has been born. At that time I was enrolled in nursing school with Lincoln Technology Institute. Unfortunately, no I do not have reliable trustworthy family. Only my grandmother, which her son lives with her. He sexually molested throughout my childhood. I could not go there . I currently have a (3)DCA voucher currently out of Morris County to use gratefully. What I cannot fathom are the application fees and credit score. My forced me to co-sign a vehicle. I had no idea that my credit would be affected. That keeps my children and I from having a safe home. After a month with mold, ants everywhere, dirty sheet, roaches in the two different motels. We bounced from, I'm simply am depleted at this point. I have filled out HUD services only for someone from TA to respond via email one time With a resource that is useless. Literally a thousand hours of searching for places to be at a standstill in America, is disturbing. I have a (3) DCA section 8 voucher , if I could afford 3x the rent I wouldn't need the voucher. Since meeting my abuser it has been endless abuse. I have hospital documentations, police report and a final restraining order. I've never put him on child support so that he can just leave us alone. I have even tried to move out of state at one point . Obtaining sole custody gave me a slight security for my children well-being, I apologize for the elongated email, it's just I need help pretty much in every area. I just want is to have a safe nice home, possibly a back yard. With furniture a great school system. Possibly items that the average children had for my babies. Stability not looking back ever. For me just going to school, I have to under bilateral hip replacement for the second time unfortunately. I thought I won by Les him. To make a healthier life my children. Honestly look at our situation go really wins. Please help us I'm am desperate for your help. If it was just myself i wouldn't even ask. When I look into their eyes I feel like such a failure. I pray to GOD that one if you someone can help me. Thank you for your time. Please help us!!! There's a final restraints order in place since 2021 Sincerely (b) (6)</p> <p>(b) (6)</p>	7/24/2024	7/25/2024	Individual

2024-FLETC-FO-00216	Hello officer, My name is (b) (6) I have lived in United States since 1997. Everything was normal until 2015, that's when it all started. Long story short, since end of 2014 and beginning of 2015. I started noticing more and more of my location being shared to random people around me. It's started with phone tracking by law enforcement, then to fire department then to almost everyone. Who is around me, about 2 mile radius. You know like the FEMA wrong way driving alert system. It alerts everyone around that drunk driver so they can avoid them. But in my case they either follow me or show up where ever I go. But for a period of time and then it's passed on to some one else. That way there is no way of pin pointing, who that person was. So I have called the law enforcement around my area and they tell me, I might need help, and yes I do need help. But not the help that they are saying. Which is saying that I'm being paranoid. I was never paranoid until they started tracking me and giving my location to people. Since it's initiated by one of the law enforcement. Now it's more like surveillance. So my located is shared with my facial identity or car License plate. Anyway my request is can I see the warrant that was signed by the judge to track my phone and surveillance me. Or an option on how do I pursue to obtain that warrant? Please help me, this has put so much stress in me. I have no criminal record. I'm a minority that is the only fault I see. There are worse criminals out there. So why me? Please help me track the warrant for my tracking, which is a Huge Privacy issue. Thanks, (b) (6)	8/21/2024	8/22/2024	Individual

2024-FLET-FO-00235	NAYING TO CONSTITUTION IS CANCERSTITUTION TO WORLD LIFE NATURE CONSTITUTION BRINGS FORWARD ALL INTENT TO INTERESTS LIKE PREAMBLE TO WE THE PEOPLE OR NATIONAL SECURITY OR NATIONAL UNITY OR GOD BLESS AMERICA OR IN GOD WE TRUST OR LAND OF THE FREE, HOME OF THE BRAVE: AS A REPOSITORY OR LIBRARY OF FORMING CONSCIENCE WITH LIVING INTERESTS MAKING ROOMS FOR THAT LIBERTY OR PIONEERING THEIR LIVES LIKE SCIENCE EXPLORATIONS : KEEPING SUCH INTENT OR INTENDED PURPOSE IS WHERE OUR WORLD NATION AND NATURE STANDS: LIKE LIBERTY OF ENTIRE NATION, UNITY OF ALL PEOPLE, ORDER OF ENTIRE CONSTITUTION, JUSTICES OF SUPREME COURT, SACRIFICES OF ALL SOLDIERS, SERVICES OF ENTIRE GOVERNMENT, WE FORM OUR LIVES THROUGH ALL SUCH INTENTS, LIKE A FREE SELF OR MAKING OF FREE BEING TO FORM LIFE LIBERTY NATURE: ONLY WAY TO STOP THAT IS NOT BEING MADE BY IT, OF IT, FOR IT, THUS HELL BENT DESTRUCTION TO ALL SUCH INTENTS TO INTERESTS TO WORLD LIVES LIBERTIES NATURE. How could someone watch National Destruction without being a Traitor? How could someone posses World Destruction without forming No World Formation intents or through Possessing Forbidden Weapons of World Destructions (Any Creation Making to preserve World/Humankind be used against World Humanity and Human Existence)? How could some enemy invade our nation without disassociating with our Independence, Unity, Formations of Liberty to Relations, challenging endangering History Heritage as much as Future Destiny and Existence of Humankind? HOW WILL YOU BE NAYING THE WORLD LIFE AND NATURE? QUESTION ITSELF DEMANDS FORMATIONS AND NEGATES DEFORMATIONS NOTHING MORE THAN ONE FORMATION ONE ANSWER OR CONSCIENCE OR DEFINITION OR INTENDED PURPOSE. LIKE PREAMBLE TO THE CONSTITUTION REQUIRES SAME CONSCIENCE AND REPOSITORY, INTENT, INTERESTS, NATURE EXISTENCE OF THE WORDS WORLD LIFE NATURE ITSELF POINTS US TOWARDS CONSCIENCE AND INTENDED PURPOSE TOWARDS FORMATIONS LIKE INJUSTICES BEING RECOGNIZED BY JUSTICE, NOW IF I ASK WHAT AND HOW WILL YOU CREATE NON LIVING INTERESTS OR NON WORLD INTERESTS OR IN HUMAN NATURE YOU WILL HAVE TO MAKING OF NO FORMATIONS NO CONSCIENCE NO LIFE WITHOUT WHICH THAT DEFORMATION WILL NOT HAPPEN, LIKE AN ERROR, MISTAKE, WILDFIRE, ACCIDENT, THREAT, FEAR, TERROR, MORBIDITY, SELF DESTRUCTION, UNDER THE INFLUENCE, CONTROLLING INTERESTS, MISHAP, CHAOS, STAMPEDE, DISTRUST, BETRAYAL, FALLEN STATE, HIJACKED PLANE OR CAPTURED HOTEL OR KIDNAPPED PEOPLE, ARE ALL EXAMPLES OF NOT FORMING WORLD LIFE NATURE AND THUS NOT LIVING LIBERTY AND MADE OF NATURE SO NO JUSTICE. LIKE A CONSTITUTION SHOULD NOT BE PROVIDED TO JIM CROW INTERESTS, PLEDGE OR ALLEGIANCE TO TREASON, HUMAN LIFE TO MUTATION, CONSCIENCE TO MORBIDITY, BODY TO CANCER, COURT TO INJUSTICES, NATION BUILDING TO TRAITORS: WORLD LIFE AND NATURE SHOULD NOT BE PROVIDED OR GIVEN TO ANY NOT FORMING INTERESTS, LIKE EVOLUTION CONSTITUTION IT IS NOT OPTIONAL AND THUS NAYING TO WORLD LIFE NATURE WILL NOT FORM AND WILL NOT SERVE.
